School Accountability Report Card

Reported Using Data from the 2018-19 School Year

Published During 2019-20

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2019-20)

Miller's Hill is one of two schools in the Latrobe School District.

Latrobe School District is a small, rural K-8 district covering 35 square miles located in the southwest corner of El Dorado County. Miller's Hill serves approximately 90 students in grades 4-8. Miller's Hill has been recognized as a 2015 Gold Ribbon School, a 2015 California Association of School Boards Golden Bell Award winner and six times as California Distinguished School. Most recently, Miller's Hill was recognized in the Sacramento region for the high level of student success on the state's 2018 CAASPP English Language Arts and Math tests. The school was rated nineteenth in the region. Dedicated staff and students have made this school a model of success, both academically and socially. The Latrobe School District's educational mission is to provide a place to learn, a place to grow, a place to be safe, a place to be proud, and a place to work together. Our small size enables us to know and appreciate each individual student's abilities and needs. Students are encouraged to become the best that they can be, meet or exceed state standards, and help each other achieve individual and group goals. In 2016 an Elective Wheel was added to the curriculum for sixth through eighth graders. Instrumental music was a new addition in 2018. Students in grades 6-8 currently have the option of taking eight weeks of these enrichment classes; Art, Culinary Arts, Instrumental Music, Spanish and STEM. Sports is also part of student life at Miller's Hill. Students participate in the county sports league in the following sports: Cross Country, Boys and Girls Basketball, Boys and Girls Volleyball, and Track.

Parents are encouraged to become actively involved in the educational process. Parents readily volunteer in the classrooms, help with special events, serve on the Parent Advisory Committee / School Site Council, Parent Teacher Club, and perform other countless acts of service making the schools the center of the community. The PTC brings the community together through well-planned regular events that involve both parents and students.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2017-18	School 2018-19	School 2019-20	District 2019-20
With Full Credential	6	6	6	10
Without Full Credential	0	0	0	0
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Teacher Misassignments and Vacant Teacher Positions

Indicator	2017-18	2018-19	2019-20
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Year and month in which data were collected: December 2019

Latrobe School District held a public hearing on September 17, 2019, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy

School Facility Conditions and Planned Improvements (Most Recent Year)

Miller's Hill was originally constructed in 1983. In 2002 a major addition of a new library and 3 classrooms was built. Today there are 9 classrooms, 1 multipurpose room/cafeteria, 1 library, 1 staff room, 1 playground and 1 field. The district has developed policies regarding campus safety, fire drills, and playground supervision. Buildings are kept clean and well maintained. The Superintendent/Principal works daily with the custodial staff of one full-time employee to ensure that the cleaning of the school is maintained to provide for a clean and safe school. A school building maintenance plan is followed ensuring that the schools are upgraded and maintained properly; Latrobe School District has one full-time maintenance employee. Our facilities are more than adequate to serve our student population.

Miller's Hill School is wired and Internet access is provided in every classroom. Thanks to a committed community and parents who volunteer support, the school continues to be a place of pride for our community. In 2015 School's Insurance Authority conducted a campus inspection. The report was positive in all regards. In 2016 an energy efficiency project was undertaken. All the lights on campus were replaced with more energy efficient lights and bulbs. All efforts to ensure building safety, cleanliness, and adequacy have been successful.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

Year and month of the most recent FIT report: December 2019

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Exemplary	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
English Language Arts/Literacy (grades 3-8 and 11)	82	86	84	85	50	50
Mathematics (grades 3-8 and 11)	61	74	66	76	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2019-20)

Latrobe School District greatly benefits from its supportive parents. The school has a strong base of parent volunteers. Parents are encouraged to join the Latrobe Parent Teacher Club. The PTC meets monthly to plan events and fundraising opportunities. Through their help and the support of our parents we are able to maintain one to one technology in every classroom. Parents also serve on the Parental Advisory Committee/Site Council which helps to oversee and monitor our LCAP and Single Plan for Student Achievement. As part of our LCAP process parents and other stakeholders are invited to participate in the annual spring Parent Feedback Survey.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2019-20)

Safety of students and staff is a primary concern of Miller's Hill. The school strives to be in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is reviewed at the first staff meeting of the year, August 1, 2018. Additional reviews of the plan are held following drills and/or other events as necessary. The plan is updated as needed by the School Safety Committee and the staff members. All revisions are communicated to the both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, evacuation, lockdown and earthquake drills are conducted on a monthly basis throughout the school year. Students are supervised before and after school by certificated staff and by classified staff during lunch. There is a designated area for student drop off and pick up. Visitors must check in at the office.

In 2016 all staff members participated in Active Shooter Training. As a result of this training our procedures and protocols were updated across the district.

Additional security cameras and alarms have been added to the Miller's Hill campus. Two are directly connected to our new water treatment plant.

Currently, all staff members are being training in Positive Behavior Interventions and Strategies (PBIS). This professional development focuses on school climate and the social emotional well-being of our students which a component of our Safety Plan as well as our Local Control Accountability Plan.

Professional Development (Most Recent Three Years)

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	18	19	13

Using data from LCAP and the CA Dashboard, district staff members identified School Climate as an area of focus. The district was awarded MTSS grant funds and a team of staff members worked throughout the 2018-2019 school year reviewing data, procedures, programs and policies that related to school climate and environment. In the second year grant funds were used for staff members to attend the Positive Behavior Interventions and Strategies (PBIS) conference in Sacramento and participate in PBIS on site trainings. Staff members continue to make adjustments and improvement in our procedures relating to school climate and student success. This is an ongoing process and will continue to be a focus of our Professional Development next year. Also, as the district moves into implementation of New Generation Science Standards, teachers will participate in local training at the county office and off site training offered by vendors.
