

Latrobe Elementary School
School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Latrobe Elementary is one of two schools in the Latrobe School District.

Latrobe School District is a small, rural TK-8 district covering 35 square miles located in the southwest corner of El Dorado County. Latrobe Elementary serves approximately 56 students in grades TK-3. Latrobe Elementary School is an inviting campus with a focus on the academic and social success of every student.

The Latrobe School District's educational mission is to provide a place to learn, a place to grow, a place to be safe, a place to be proud, and a place to work together. Our small size enables us to know and appreciate each individual student's abilities and needs. Students are encouraged to become the best that they can be, meet or exceed state standards, and help each other achieve individual and group goals.

Parents are encouraged to become actively involved in the educational process. Under normal circumstances, parents readily volunteer in the classrooms, help with special events, serve on the Parent Advisory Committee/School Site Council, Parent Teacher Club, and perform other countless acts of service making the schools the center of the community. Under current COVID restrictions, many of these opportunities are on hold until later in the year.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School 2018-19	School 2019-20	School 2020-21	District 2020-21
With Full Credential	4	4	4	9
Without Full Credential	0	0	0	0
Teaching Outside Subject Area of Competence (with full credential)	0	0	0	0

Teacher Misassignments and Vacant Teacher Positions

Indicator	2018-19	2019-20	2020-21
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: December 2020

Latrobe School District held a public hearing on September 15, 2020, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. The district plans to adopt NGSS Science materials in the 2021-2022 school year.

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Benchmark Adoption Year 2017	Yes	0.0%
Mathematics	McGraw Hill / My Math Adoption Year 2015	Yes	0.0%
Science	Scott Foresman Adoption Year 2007	No	0.0%
History-Social Science	Pearson / My World Interactive Adoption Year 2018	Yes	0.0%

School Facility Conditions and Planned Improvements

Latrobe Elementary was originally constructed in 1915. It has grown from a one room school over the years to include 5 classrooms, 1 multipurpose room/cafeteria, 1 library, 1 staff room/kitchen, 1 playground and 1 artificial turf field. The district has developed policies regarding campus safety, fire drills, and playground supervision. Buildings are kept clean and well maintained. The Superintendent/Principal works daily with the Director of Maintenance and the full-time custodian to ensure that the routine maintenance and the cleaning of the school is maintained to provide for a healthy and safe environment. A school building maintenance plan is followed ensuring that the schools are upgraded and maintained properly. A School's Insurance Authority inspection was conducted in November, 2016. Minor findings from the inspection have been addressed. Energy efficient lights were installed across the district. The Board of Trustees surveyed both schools during a September 2020 Study Session. Members were briefed on the following additions: handwashing stations, additional hand sanitizing stations, new water tanks, and a new generator. Priorities were set for short and long term improvements. Our facilities are in good repair, clean and more than adequate to serve our student population.

Latrobe Elementary is wired and Internet access is provided in every classroom. Thanks to a committed community and parents who volunteer support, the school continues to be a place of pride for our community. All efforts to ensure building safety, cleanliness, and adequacy have been successful.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: December 2020

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	85	N/A	76	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Latrobe School District greatly benefits from its supportive parents. The school has a strong base of parent volunteers. Parents are encouraged to join the Latrobe Parent Teacher Club and serve on the Parent Advisory Committee/Site Council. These two groups serve both schools in the district. The Parent Teacher Club meets monthly and plans and provides numerous events for our students and families. The PAC/Site Council meets three times per year. They provide oversight of our LCAP, and Site Plan, monitoring our progress on each goal. Through the LCAP process parents are also invited to give us feedback through our annual Parent Feedback Survey.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.0	0.0	4.2	1.9	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	2.56	
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Safety of students and staff is a primary concern of Latrobe Elementary. The school strives to be compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is reviewed at the first staff meeting of the year. Additional reviews of the plan are held following drills and/or other events as necessary. The plan is updated as needed by the School Safety Committee and the staff members. All revisions are communicated to the both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, evacuation, lock down and earthquake drills are conducted throughout the school year. Students are supervised before and after school by certificated staff and by classified staff during lunch. There is a designated area for student drop off and pick up. Visitors must check in at the office.

In January 2013 security gates and an intercom system were installed at Latrobe Elementary. The front door and both gates are kept locked during school hours. Visitors check in via intercom at the front door and are buzzed in by the school secretary. Gates are unlocked after school. In 2016 all district staff members were trained in active shooter procedures and strategies. The staff is also trained in CPR/First Aid and AED procedures every other year. An AED was installed at both school sites in 2019.

Currently, all staff members are actively implementing Positive Behavior Interventions and Strategies (PBIS). PBIS focuses on school climate and the social emotional well-being of our students which a component of our Safety Plan as well as our Local Control Accountability Plan.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Types of Services Funded (Fiscal Year 2019-2020)

The California Department of Education issued guidance to LEAs on August 1, 2018 regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Latrobe School District is a community-based funding district. In addition to community (local) funding, Latrobe Elementary receives federal funding for categorical and other support programs from the following sources:

- Federal Title IV
- Title IIA
- REAP

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	19	13	15

Using data from LCAP and the CA Dashboard, district staff members identified School Climate as an area of focus. The district was awarded MTSS grant funds and a team of staff members worked throughout the 2018-2019 school year reviewing data, procedures, programs and policies that related to school climate and environment. In the second year grant funds were used for staff members to attend the Positive Behavior Interventions and Strategies (PBIS) conference in Sacramento and participate in PBIS on site trainings. Staff members continue to make adjustments and improvement in our procedures relating to school climate and student success. This is an ongoing process and will continue to be a focus of our Professional Development next year. Also, as the district moves into implementation of New Generation Science Standards, teachers will participate in local training at the county office and off site training offered by vendors.
