2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Latrobe Elementary is one of two schools in the Latrobe School District.

Latrobe School District is a small, rural, TK-8 district covering 35 square miles located in the southwest corner of El Dorado County. Latrobe Elementary serves approximately 65 students in grades TK-3. Latrobe Elementary School is an inviting campus with a focus on the academic and social success of every student.

The Latrobe School District's educational mission is to provide a place to learn, a place to grow, a place to be safe, a place to be proud, and a place to work together. Our small class size (ideally 20 students or less) enables us to know and appreciate each individual student's abilities and needs. Students are encouraged to become the best that they can be, meet or exceed state standards, and help each other achieve individual and group goals. Students participate in 80 weekly minutes of PE from a credentialed specialist, visit the garden for outdoor learning activities, and are taught fine arts through our FAME program. Students in 3rd grade take the CAASPP test in ELA and Math each spring.

Parents are encouraged to become actively involved in the educational process. Parents readily volunteer in the classrooms, help with special events, serve on the Parent Advisory Committee/School Site Council, Parent Teacher Club, and perform other countless acts of service making the schools the center of our community.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.00	0.00
Total Out-of-Field Teachers	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Latrobe School District held a public hearing on September 19, 2023, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks, instructional materials, or both, in core subjects for use in the classroom and to take home. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school. The district adopted NGSS Science materials (StudySync) to be deployed and implemented in the 2022-23 school year and beyond.

School Facility Conditions and Planned Improvements

Latrobe Elementary was originally constructed in 1915. It has grown from a one room school over the years to include 5 classrooms, 1 multipurpose room/cafeteria, 1 library, 1 staff room/kitchen, 1 playground and 1 artificial turf field. The district has developed policies regarding campus safety, fire drills, and playground supervision. Buildings are kept clean and well maintained. The Superintendent/Principal works daily with the Director of Maintenance and the full-time custodian to ensure that the routine maintenance and the cleaning of the school is maintained to provide for a healthy and safe environment. A school building maintenance plan is followed ensuring that the schools are upgraded and maintained properly. A School's Insurance Authority inspection was conducted in November, 2016. Minor findings from the inspection were addressed. Energy efficient lights were installed across the district. The Board of Trustees surveyed both schools during a September 2020 Study Session. Members were briefed on the following additions: handwashing stations, additional hand sanitizing stations, new water tanks, and a new generator. Priorities were set for short and long term improvements. In the 2021-2022 school year, the Board of Trustees approved and funded a 10-year deferred maintenance plan. Our facilities are in good repair, clean and more than adequate to serve our student population. Latrobe Elementary is wired and Internet access is provided in every classroom. Thanks to a committed community and parents who volunteer support, the school continues to be a place of pride for our community. All efforts to ensure building safety, cleanliness, and adequacy have been successful.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	100	89	63	71	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

The Latrobe School District benefits greatly from its supportive parents. The school has a strong base of parent volunteers. Parents are encouraged to join the Latrobe Parent Teacher Club and serve on the Parent Advisory Committee/School Site Council. These two groups serve both schools in the district. The Parent Teacher Club meets monthly and plans and hosts numerous events for our students and families. The Parent Advisory Committee/School Site Council meets approximately three times per year. They provide oversight of our LCAP and Single Plan for Student Achievement, and they monitoring our progress on the goals set forth in each plan. Through the LCAP process parents are also invited to give us feedback through our annual Parent Feedback Survey.

2023-24 School Safety Plan

Safety of students and staff is a primary concern of Latrobe Elementary. The school strives to be compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The School Site Safety plan is reviewed at the first staff meeting of the year (8/10/2023). Additional reviews of the plan are held following drills and/or other events as necessary. The plan is updated as needed by the School Safety Committee and the staff members. All revisions are communicated to the both the classified and certificated staff. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, evacuation, lock down, and earthquake drills are conducted throughout the school year. Students are supervised before and after school by certificated staff and by classified staff during lunch. There is a designated area for student drop off and pick up. Visitors must check in at the office.

In January 2013 security gates and an intercom system were installed at Latrobe Elementary. The front door and both gates are kept locked during school hours. Visitors check in via intercom at the front door and are buzzed in by the school secretary. Gates are unlocked after school. In 2016 all district staff members were trained in active shooter procedures and strategies and as a result of this training our procedures and protocols were updated across the district. The staff is also trained in CPR/First Aid and AED procedures every other year. A new AED was installed at Latrobe Elementary in 2022.

Currently, all staff members are actively implementing Positive Behavior Interventions and Supports (PBIS). PBIS focuses on school climate and the social emotional well-being of our students which is a component of our Safety Plan as well as our Local Control Accountability Plan.

Professional Development

Using data from LCAP and the CA Dashboard, district staff members identified school climate, professional development, and attendance as areas of focus. The district was awarded MTSS grant funds and a team of staff members worked throughout the 2018-2019 school year reviewing data, procedures, programs and policies that related to school climate and environment. In the second year grant funds were used for staff members to attend the Positive Behavior Interventions and Strategies (PBIS) conference in Sacramento and participate in PBIS on site trainings. This year, staff members will continue to make adjustments and improvement in our procedures relating to school climate and student success. This is an ongoing process and will continue to be a focus of our Professional Development for the foreseeable future. Also, as the district has adopted a new NGSS Science curriculum, StudySync, teachers will participate in ongoing training.
