

LATROBE SCHOOL DISTRICT 2020-21 Education Protection Act Expenditure Plan

Proposition 30 established the Education Protection Account (EPA) to receive the additional tax revenue that will be collected from the higher sales tax and income tax rates due to its passage November 6, 2012. These funds will be apportioned from the EPA to school districts on a quarterly basis beginning in July 2013. The creation of the Education Protection Act (EPA) by Proposition 30 has created an accountability component. These components are as follows:

- Criteria on how to spend the funds are mandated by the state.
- The governing board must approve the spending plan during a public meeting.
- School board approves the expenditure plan before the expense has occurred.
- The district is required to publish on their website the amount of funds received and how the funds were expended.

- The school district’s auditor will verify the compliance of expenses during the annual audit.

In accordance with Proposition 30, **Latrobe School District** is providing their expenditure plan under the Education Protection Act for 2020-21.

The 2020-21 EPA funds for the district is estimated to be \$28,688.

It is proposed that the EPA funds be used to pay towards a portion of the salary and benefit cost of a certificated teacher. Any difference in revenue and/or expenditure will be adjusted at year-end.
