

8th Grade Project

Tiled Pub Table

Glazed ceramic tiles with abstract designs in brown, yellow, green and red adorn this one-of-a-kind pub table. Each of our 8th Graders designed and painted their own tile using a variety of shapes and lines. This is just what's needed in your game/entertainment room. A real conversation piece!

Hope to see you at Black Tie & Tennies on Saturday, March 13 to bid on this project.
